1. Purpose

These Community Guidelines define standards of behavior required to maintain a safe, professional, and trustworthy environment on Plucasa.

2. Core Principles

Users must act with respect, integrity, transparency, responsibility, and professionalism at all times.

3. Respectful Interaction

Harassment, abuse, discrimination, threats, or intimidation are strictly prohibited.

4. Prediction Standards

Predictions must be posted in good faith, with accurate timing, clear reasoning, and without misleading or fraudulent claims.

5. Buyer Responsibilities

Buyers must act honestly, review content carefully, and use the dispute system responsibly.

6. Content Rules

Posts, comments, and reviews must not violate intellectual property rights, privacy, or promote illegal activity or hate.

7. Prohibited Conduct

Spam, manipulation, false reporting, coordinated abuse, and system exploitation are not allowed.

8. Disputes & Evidence

Disputes must be handled respectfully and in good faith, supported by factual information.

9. Zero-Tolerance Violations

Hate speech, fraud, impersonation, hacking attempts, and illegal content result in immediate enforcement action.

10. Reporting Misconduct

Violations may be reported through in-platform tools or official Plucasa contact channels.

11. Enforcement

Plucasa may issue warnings, restrict features, suspend or terminate accounts, or escalate to authorities as required.

12. Updates

These Guidelines may be updated periodically. Continued use constitutes acceptance of revisions.
